80' x 90'	7,200	1,152	1,056	720	600
80' x 120'	9,600	1,536	1,408	960	800
80' x 150'	12,000	1,920	1,760	1,200	1,000

Notes:

This chart is based on using the entire tent square footage for seating or standing, with adequate clearances for aisles, rows of chairs, etc. Please plan accordingly for special items such as staging, dance flooring, speakers platform, serving area, etc. that may also be required under the tent.

These are basic tent sizes. We have other sizes and configurations to choose from. **Please contact a sales representative to help you complete your order.**

Portable dance floor calculator - 3' x 3' vinyl parquet wood grain

Total Guests		Couples dancing at one time	Approximate size dance floor needed
People	Couples		
64	32	16	12 x 12
100	50	25	15 x 15
144	72	36	18 x 18
168	84	42	18 x 21
200	100	50	21 x 21
