

“Not sure if your loved one qualifies for Medicare Home Health Coverage?”

Answer these simple questions:

1. Is Medicare their primary insurance? Yes No (If no, stop here and Redi-Nurse will check patient's insurance coverage and eligibility)
2. Have they experienced a new diagnosis or a complication of a medical condition? Yes No
3. Are they experiencing frequent falls or having difficulty with ambulation or mobility? Yes No
4. Have they had a change in their medications that require skilled monitoring? Yes No
5. Are they having difficulty completing their Activities of Daily Living? Yes No
6. Are you unsure if they are taking their medication correctly? Yes No
7. Is leaving the home a taxing effort or do they require assistance to leave the home? Yes No
8. Do they have a physician, licensed by the state of Florida, who will oversee their care? Yes No

If you have answered yes to one or more of the above questions; there is a good possibility that your loved one could benefit from a Registered Nurse Evaluation to assess their in home needs and safety.

Please contact us today for a *Redi-Nurse* Evaluation at no charge to you or your loved one.
