

“Not sure if your patient qualifies for Medicare Home Health Coverage?”

Answer these simple questions:

1. Is Medicare the patient's primary insurance? Yes No (If no, stop here and Redi-Nurse will check patient's insurance coverage and eligibility)
2. Has the patient experienced a new diagnosis onset or exacerbation of a medical condition? Yes No
3. Is the patient experiencing frequent falls or having difficulty with ambulation or mobility? Yes No
4. Has the patient had a change in their medications that require skilled monitoring? Yes No
5. Is the patient having difficulty completing their Activities of Daily Living? Yes No
6. Is the patient having difficulty with Medication Compliance or confused about their medicines? Yes No
7. Is leaving the home a taxing effort or does the patient require assistance to leave the home? Yes No

If you have answered yes to one or more of the above questions; there is a good possibility that your patient could benefit from a Registered Nurse Evaluation to assess the patient's in home needs and safety.
