

# Employee Peace of Mind Commitment

In order to assure our employee's uphold the *Redi-Nurse* promise; we assure each employee will commit to following the "Peace of Mind Commitment" for the patients and clients whom we serve:

1. I will never knowingly put the patient in danger. I will follow all the established safety guidelines at all times.
2. I will always be aware of my patients or needs and adhere to the established care plan.
3. I will always treat the patient or client with respect and dignity as I am an invited guest in their home.
4. I will always be well groomed and in a proper uniform while on assignment.
5. I will always listen attentively to the patient or client and provide them with my utmost attention while on duty.
6. I will always be on time and leave my patient in responsible hands before ending my assignment.
7. I will notify my supervisor immediately concerning any incidents or accidents that occur in the home that will affect my patient or client.
8. I will continually strive to update my knowledge in order to better serve my patients or clients.
9. I will always be honest, truthful and ethical in dealing with the patient or clients and the office staff who provide me with assignments.
10. I will conscientiously adhere to all agency policies and procedures that *Redi-Nurse* has in place that not only will protect my patient or client, but also, myself.
