

Our Peace of Mind Commitment

The employees and management of *Redi-Nurse* are dedicated to improving the health and quality of life of their patients through the provision of Health Care related personnel and services in their home. "Home Health Care is Our Service.....Peace of Mind is Our Specialty.

When health problems affect your ability, or the ability of a loved one, to live a happy, productive life at home, *Redi-Nurse* can help. For over 30 years our nurses, home health aides, homemakers and therapists have been providing Florida residents with the services they need to maintain their lifestyles at home.

We strive to achieve the best in clinical care as measured by peer review, client satisfaction, community reputation, and cost effectiveness. We are committed to the operation of the company to high ethical standards; recognizing as a health care provider we are in a special position of trust with patient, payers, other providers, the community and the government.

We are committed to making sure the patient is provided with the services they need and to provide them in a manner to ensure peace of mind. We are committed to being available to you, your physician, and loved ones at all times.
