

SARABIA'S Portable Toilets

www.sarabias.com

Facilities can be furnished with hand sanitizers or interior sinks, soap and paper towels. We also have solar lights available

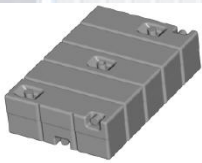

Your mobil office bathrooms can be functional with our water and waste tanks and on demand pumps. We install

Polylifts specially deigned for high rise construction. Lightweight and easy to lift or take in the elevator.

Units mounted on "You Tow" trailers single or double

250 and 300 gals holding tanks for your facility

Hand wash stations in different styles and capacity

The Executive trailer works very well for construction sites and remodels.
