

SENTRY WATCH

Providers of real security since 1969

Update Your System!

We offer deep discounts for our current customers. If you have an older system and wish to upgrade, call now for a quote. Many of our customers have enjoyed their systems for 10 or 20 years! Our program rewards you for your loyalty and provides you with the benefits of newer technological advances in the design of our security panels. Besides, some of our older products are not made or repaired anymore. We want you to have the latest protection available. Call Today!

The Sentry is a publication of Sentry Watch, Inc. All rights reserved, Winter 2006. The information contained herein is for information purposed only and not considered a substitute for legal counsel or advice.

Assisted Living Alternative

We are proud to offer our Personal Emergency Response system to all of our readers. We thank you for your tremendous response! For more information call 336-292-6468 and find out how to protect your loved ones today! This system consists of a table top box with 2-way voice speaker and large panic button. The system includes a wireless transmitter of your choice. There are several models to choose from including belt clip, necklace, and wrist watch. Some are water resistant and additional panic buttons are only \$49.95!
