

Gaston County Chamber Members.....

Say hello to the nation's first 4G network. Using WiMAX technology, CLEAR's super fast mobile internet works as fast on the go as it does at home. Offering mobile internet, home internet and home voice, CLEAR is completely mobile, lightning fast and requires zero installation.

CLEAR has partnered with TELECO to bring you a full demonstration of what the next generation of internet will be like for the residents and businesses of Gaston County. Please come out for **Free Giveaways and Raffles** and learn how Clear is bringing the nation's FIRST 4G coverage to your area.

What: Ribbon Cutting: Teleco and Clear

When: Thursday, Feb 25th 11:30am - 1:00pm
