Dear Charles:

I just wanted to drop you a quick note to tell you how pleased that we are with the services that we receive from Wade Electric. I have had the opportunity to work you and your team for the past six years and I cannot honestly think of one negative experience. That's quite an amazing accomplishment, especially due to the fact that we are always trying to get projects completed so quickly. In addition, your employees are always polite, timely and reflect the values that make Wade Electric a successful company.

Please feel free to share this letter with any of your new customers, or if you wish, you can have them call me directly at 678-402-3298.

Sincerely,

Douglas E. Farley  
Director of Facilities
